Aid Grant

Transfer of Copyright Agreement

The undersigned author, with the consent of all other authors if any, agrees to transfer the copyright of the article described below, submitted to the Journal of the Physical Society of Japan (JPSJ), to the Physical Society of Japan (JPS). The JPS shall have the right to publish the article, in whole or in part(s), in any medium and by any means, including those not yet known and later developed. If the article is unpublished in JPSJ for any reason, this Agreement shall be void.

The author(s) warrants that the article is original and has never been published elsewhere and is not under consideration for publication in any other journal or in any other form.

The author(s) shall retain the following rights.

1. All proprietary rights other than copyright, such as patent rights.
2. The right to post the article on the world-wide web under the conditions and related rights as described on the rear of the current document.

Application for the Aid Grant Program

I wish to apply for publication aid from the Institute of Pure and Applied Physics to compensate for the publication charge necessary to publish my paper in JPSJ.

[Signature the corresponding author]

[Name(please print)]

[Date]

I hereby certify that the authors have real difficulty in paying the publication charge for the paper submitted to JPSJ.

Terms of reproducing or reusing articles published in the Journal of the Physical Society of Japan (JPSJ)

Established on July 22, 2005, effective October 2005
and Revised in October 2006

	Applicant for Approval	Object	Format	Medium	Written permission from the Physical Society of Japan (JPS)	Conditions	Obligation to notify JPS	Remarks
1	Author(s)	Whole body of the article or part(s) thereof, such as (but not limited to), figures and tables	Electric form of "author's final article" which has been already inspected	Web server under author's own personal control	Not required	A, B, E	No	"Web server under personal control" means a web server on which the author(s) is/are authorized to upload and/or delete files with regard to the whole contents of any loaded article without the consent of any third party.
2	(as above)	(as above)	PDF file of the whole article	Transmission by email to research colleagues	Not required	C	No	
3	(as above)	(as above)	Printed paper and PDF file of the whole article	Research report (not to be distributed to the general public)	Not required	A	No	
4	(as above)	Figures and tables of the article	Unmodified	Review article	Not required	A	No	Written permission is required if not for a review article
5	(as above)	Whole body of his/her own article or part(s) thereof, such as (but not limited to), figures and tables which are to be loaded for use on the web server of the employer of the author(s)	Electric form of "author's final article" which has been already inspected	Web server of the employer	Not required	A, B, E	Yes (URL to be notified beforehand[#7])	The "Web server of the employer" means a web server under the control of the employer, on which the author(s) is/are not authorized to directly upload and/or delete files, except for part(s) thereof. Permission is required in the case of for-profit advertisements.
6	(as above)	(as above)	Printed paper	Collection of papers, a bulletin or book composed solely of papers by employers. To be used internally or for publicity, to be distributed gratis.	Not required	A	(as above)	Permission is required to distribute the material at charge to parties outside the organization of the employer.
7	Third party (person or organization, excluding the author(s) and employer of the author(s))	Published article	Printed paper or PDF file of the whole or part(s) of the article	Books, papers, a collection of papers in printed or electronic form	Required	A, B, D	Yes (URL to be notified beforehand in case of electronic form)	May charge a fee when considered to be for-profit.
8	(as above)	Figures and tables of the published article	Printed paper or electronic form	Original papers, review articles, books, in print or electronic form or electric media.	Required	A, B, D	(as above)	
9	Publisher of secondary information	Bibliographical and related information			Required			Terms (fee etc) to be negotiated.

Condition A: In any format (printed or electronic), no modification allowed, including to copyright marks. Complete reference should be given when partially quoted.

Condition B: To be linked to a JPSJ web page of the relevant article when in electronic format.

Condition C: Only one-to-one transmission to a single recipient at a time. Simultaneous transmission to multiple recipients, including mailing list(s), is disallowed.

Condition D: The author's consent is required.

Condition E: Loading a PDF file or electric copy of the printed paper onto the server is not permitted. When loading the article onto the server, the approval of the co-author(s) is required.

Remarks

1. A research project (or project team) composed of members from multiple organizations is regarded as a case of the employer.

2. The CD-ROM format and microfilm are treated under the same terms as for printed paper.

3. The 'PDF file' in the Medium column includes PDF files having appeared on the JPSJ web page and any other PDF (and other electronic) format.

4. When reprinting part(s) of article such as figures and tables, which include citation or citation information, complete citation information shall be included.

5. Even if the article is the author's final version, release shall be after publication of the electric form or printed paper thereof.

6. Any article which is approved for reproduction/reuse shall be used in deference to copyrights belonging to the (co-)author and the Physical Society of Japan. Further, administration of any article loaded onto the web server is required.

7. Notification of a URL should be sent to pubstaff2@jps.or.jp by the applicant for approval.

8. The Terms shall apply to any and articles used after October 1, 2006.

9. Please make inquiries or applications for permission about the Terms to the Secretariat division of the Physical Society of Japan.
